

of this information is voluntary. Because the \$3,000,000 threshold applies separately to sales and purchases, this voluntary reporting option may apply only to sales, only to purchases, or to both.

(b) *BE-80 definition of financial services provider.* The definition of financial services provider used for this survey is identical in coverage to Sector 52—Finance and Insurance, and holding companies that own or influence, and are principally engaged in making management decisions for these firms (part of Sector 55—Management of Companies and Enterprises, of the North American Industry Classification System, United States, 2002). For example, companies and/or subsidiaries and other separable parts of companies in the following industries are defined as financial services providers: Depository credit intermediation and related activities (including commercial banking, savings institutions, credit unions, and other depository credit intermediation); nondepository credit intermediation (including credit card issuing, sales financing, and other nondepository credit intermediation); activities related to credit intermediation (including mortgage and nonmortgage loan brokers, financial transactions processing, reserve, and clearinghouse activities, and other activities related to credit intermediation); securities and commodity contracts intermediation and brokerage (including investment banking and securities dealing, securities brokerage, commodity contracts dealing, and commodity contracts brokerage); securities and commodity exchanges; other financial investment activities (including miscellaneous intermediation, portfolio management, investment advice, and all other financial investment activities); insurance carriers; insurance agencies, brokerages, and other insurance related activities; insurance and employee benefit funds (including pension funds, health and welfare funds, and other insurance funds); other investment pools and funds (including open-end investment funds, trusts, estates, and agency accounts, real estate investment trusts, and other financial vehicles); and holding companies that own, or influence the management decisions of, firms prin-

cipally engaged in the aforementioned activities.

(c) *Covered types of services.* The BE-80 survey covers the following types of financial services transactions (purchases and/or sales) between U.S. financial services providers and unaffiliated foreign persons: Brokerage services related to equities transactions; other brokerage services; underwriting and private placement services; financial management services; credit-related services, except credit card services; credit card services; financial advisory and custody services; securities lending services; electronic funds transfer services; and other financial services. The BE-80 also covers total receipts and total payments for the above-listed types of financial services transactions with affiliated foreign parties (foreign affiliates and foreign parents).

(d) *What to file.* (1) The BE-80 survey consists of Forms BE-80 (A) and BE-80(B). Before completing a form BE-80 (B), a consolidated U.S. enterprise (including the top U.S. parent and all of its subsidiaries and parts combined) must complete Form BE-80(A) to determine its reporting status. If the enterprise is subject to the mandatory reporting requirement, or if it is exempt from the mandatory reporting requirement but chooses to report data voluntarily, it should either:

(i) File a separate Form BE-80(B) for each separately organized financial services subsidiary or part of a consolidated U.S. enterprise; or

(ii) File a single BE-80(B) representing the sum of all covered transactions by all financial services subsidiaries or parts of the enterprise combined.

(2) Reporters who receive the BE-80 survey from BEA but are not subject to the mandatory reporting requirements and choose not to report data voluntarily must complete and return to BEA the Exemption Claim.

§ 806.1 Purpose.

The purpose of this part is to set forth the rules and regulations necessary to carry out the data collection program and analyses concerning direct investment as required by, or provided for in, the International Investment Survey Act of 1976 (Pub. L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101 to 3108), hereinafter “the Act”. The overall purpose of the Act is to provide comprehensive and reliable information pertaining to international investment, including direct investment, and to do so with a minimum of burden on respondents and with no unnecessary duplication of effort.

§ 806.2 Recordkeeping requirements.

In accordance with section 5(b)(1) of the Act (22 U.S.C. 3104) persons subject to the jurisdiction of the United States

15 CFR Ch. VIII (1-1-05 Edition)

shall maintain any information (including journals or other books of original entry, minute books, stock transfer records, lists of shareholders, or financial statements) which is essential for carrying out the surveys and studies provided for by the Act.

§ 806.3 Reporting requirements.

(a) In accordance with section 5 (b)(2) of the Act (22 U.S.C. 3104) persons subject to the jurisdiction of the United States shall furnish, under oath, any report containing information which is determined to be necessary to carry out the surveys and studies provided for by the Act.

(b) Such reports may be required from among others, U.S. persons which have direct investment abroad, U.S. persons in which foreign persons have direct investment, U.S. intermediaries, and U.S. persons which assist or intervene in the purchase or sale of direct investment interests, such as real estate brokers and brokerage houses acting as managers of tender offers.

§ 806.4 Response required.

Reports, as specified below, are required from all persons coming within the reporting requirements, whether or not they are contacted by BEA. In addition, any person BEA contacts, either by sending them report forms or by written inquiry concerning the person's being subject to the reporting requirements of a survey conducted pursuant to this part must respond in writing. The response must be made by filing the properly completed report form, or by submitting in writing, or within 30 days of being contacted, a valid exemption claim (including the situation where the statistical data requested on the form are not applicable) or by certifying in writing to the fact that the person has no direct investments within the purview of the Act or the regulations contained herein. This requirement is necessary to ensure compliance with reporting requirements and efficient administration of the Act.

§ 806.5 Confidentiality.

Information collected pursuant to § 806.3 is confidential (see section 5(c) of the Act, 22 U.S.C. 3104).
